Talking with youth about substance use makes them 50% less likely to try drugs and alcohol.

CONVERSATION STARTERS

What would you do if someone offered you drugs or alcohol?

Have you ever seen someone in real life or on TV that had alcohol or drug use affect their actions or decisions?

Can you think of a time that your friends wanted you to do something and you didn’t want to? What did you do?

Who did you eat lunch with today?

Why Do You Think People Take Risks Or Do Drugs?
